Hamilton, ON – April 9, 2013 - TALL SHIPS® Hamilton is looking for volunteers to help welcome the ships to the waterfront (Pier 8) June 28 to 30, 2013.

TALL SHIPS® Hamilton promises to be a spectacular event that recognizes the 200th anniversary of the War of 1812 and celebrates Hamilton's rich culture. Volunteers are an important part of making this event a success.

We are looking to fill the following positions:

- Activities Assistants
- "Ask Me" Event Ambassadors
- Ticket & Passport Stampers
- Relief Volunteers
- Hospitality Volunteers
- Crowd Control
- Runners
- Site Crews

TALL SHIPS® Hamilton begins the afternoon of Friday, June 28 with a Parade of Sail as Canadian, U.S. and European ships sail into Hamilton Harbour with cannon fire salutes, ending their journey at the Pier 8 docks. We have planned a tall ship experience like no other, which includes deck tours of the ships, as well as a wide variety of free heritage and cultural activities throughout the weekend such as historical boat building, an 1812 interactive map game, nautical printmaking and a curated craft show. TALL SHIPS® Hamilton will feature immersive theatre performances; event goers will feel that they have been transported to an 1813 wharf. Sea shanties will give way to free music on the Waterfront Stage each evening.
