

CIRQUE DU SOLEIL CRYSTAL FAM TOUR

JUNE 21, 2018

Here in Hamilton, we're proud of our long track record hosting successful Meetings & Conventions. Come see for yourself why event planners come back year after year and experience our passion for authentic experiences and hospitality. Together, we'll explore the city's top-notch facilities, new and updated accommodations, and headline-making food scene. We will finish the day at the Cirque Du Soleil Crystal show, a breakthrough ice experience. Crystal is not just an ice show, it's world class skaters and acrobats challenging the laws of gravity on their frozen playground. Accommodations, scheduled meals and performance tickets are included. All applicants will be reviewed by Tourism Hamilton and selected based on business opportunities. Spaces are limited.
