ACCOMMODATIONS

In 2013, Hamilton Magazine Group and Tourism Hamilton came together to bring you Visit Hamilton. This new visitor guide reduced collateral redundancy in the marketplace, put the Tourism Hamilton publication inside local hotel rooms in front of a captive audience, and presented a user-friendly lure piece to our consumer market.

This year, Tourism Hamilton has adopted a new tagline (It's Happening Here) and an experiential approach to promoting Hamilton as a destination to the leisure market that will be reflected in the design and format of the publication.

Visit Hamilton is the official tourist guide to what's happening here, providing an excellent opportunity for you to promote the best that you have to offer.
