# TALL SHIPS® Hamilton Event Overview

**Majestic tall ships are coming to Hamilton's waterfront Pier 8 as part of the War of 1812 Bicentennial Commemorations. Taking place Friday, June 28 to Sunday, June 30, the Event:**

- is part of the TALL SHIPS® 1812 Tour, a pan-provincial initiative with 15 participating ports on Lake Ontario this summer
- visitors can go aboard the ships and sail on selected ships (for a fee); crew members include youth from around the world
- provides free on-land heritage and cultural programming at Pier 8, including music each evening at the Waterfront Stage
- is a unique, one of a kind event, positioning and promoting Hamilton locally and provincially as a waterfront destination
- is a family oriented event that also appeals to a wider demographic
- 50,000+ visitors projected to come to the Event over the Canada Day long weekend
- builds strategic partnerships with corporations, organizations, media and all levels of the government
- will provide a calculated economic impact for Hamilton

# Visiting Tall Ships SORLANDET

Sponsored by the Hamilton Port Authority

Homeport: Kristiansand, Norway

Length: 210 feet

The Sorlandet is the oldest full rigged ship in the world still in operation. Built in 1927 as a merchant marine training ship, Sorlandet now offers students learning experiences aboard the ship through the Canadian sail training institution Class Afloat. Visit [www.classafloat.com](http://www.classafloat.com) for more information about the school and its programs.

# U.S. BRIG NIAGARA

Homeport: Erie, Pennsylvania

Length: 198 feet

The Flagship Niagara was built as a reconstruction of the warship aboard which Commander Oliver Hazard Perry won the Battle of Lake Erie during the War of 1812. Part of her mission is to preserve the skills of square-rig seafaring. Each summer she sails with professional crewmembers, teaching live-aboard trainees the way of the ship at sea and square-rig sea fairing skills.

# FAIR JEANNE

Homeport: Ottawa, Ontario  
Length: 110 feet

Fair Jeanne is a 34 meter traditionally-rigged brigantine. The ship is operated by Bytown Brigantine which provides young people with sailing skills, leadership training, challenges, and memories to last the rest of their lives.

# ST. LAWRENCE II

Homeport: Kingston, Ontario

Length: 72 feet

Built at Kingston Shipyards, St. Lawrence II was designed for youth sail training. The Brigantine Incorporated operates the ship and runs a sail training program created with the intent of teaching young people the fundamental skills of sailing.

# LIANA'S RANSOM

Sponsored by Parrish and Heimbecker, Limited

Homeport: Halifax, Nova Scotia

Length: 85 feet

Built in 1998, the tall ship's design was influenced by the schooners used by privateers throughout the early 1800s. She is rigged as a two masted, square top sail schooner and can hold up to 70 guests for Hamilton harbour cruises. Just about everything on board (except the safety equipment) is identical to the authentic gear sailors were using some 300 years ago.

# THE PEACEMAKER

**Homeport: Savannah, Georgia**

**Length: 150 feet**

**A 3 masted barquentine constructed using traditional methods and tropical hardwoods, Peacemaker was built in southern Brazil by an Italian family of boat builders. Today her vision is to be a sea-going representation of the life of peace and unity.**

# Anchor Supporter In-Kind Donations

As with any major event of this magnitude, there is always a need for various goods and services over and above cash. This can include things such as products and services related to both hospitality for our visiting crew and trainees (180 people) and the production of the Event.

Should your company wish to support TALL SHIPS® Hamilton with in-kind donations, please speak with one of our corporate contact people listed on the following page.

We welcome any and all in-kind donations that you can provide.

Recognition of In-Kind Donors will be related to the value of service or product.

**Thank You!**
