- commemorating the War of 1812 Bicentennial
- part of the TALL SHIPS® 1812 Tour, initiative with 15 participating Ontario ports and 6 American ports
- Produced by the City of Hamilton in partnership with Tall Ships America, the Hamilton Waterfront Trust and the Hamilton Port Authority
- is a unique, one of a kind event, promoting Hamilton's waterfront
- visitors can go aboard the ships and sail on selected ships (for a fee)
- free on-land heritage and cultural programming
- is a family oriented event that also appeals to a wide demographic
- 50,000+ visitors projected to come to the event over 3 days

# Visiting Tall Ships: SORLANDET

**Sponsored by the Hamilton Port Authority**

**Homeport: Kristiansand, Norway**

**Length: 210 feet**

The Sorlandet is the oldest full rigged ship in the world still in operation. Built in 1927 as a merchant marine training ship, Sorlandet now offers students learning experiences aboard the ship through the Canadian sail training institution Class Afloat.

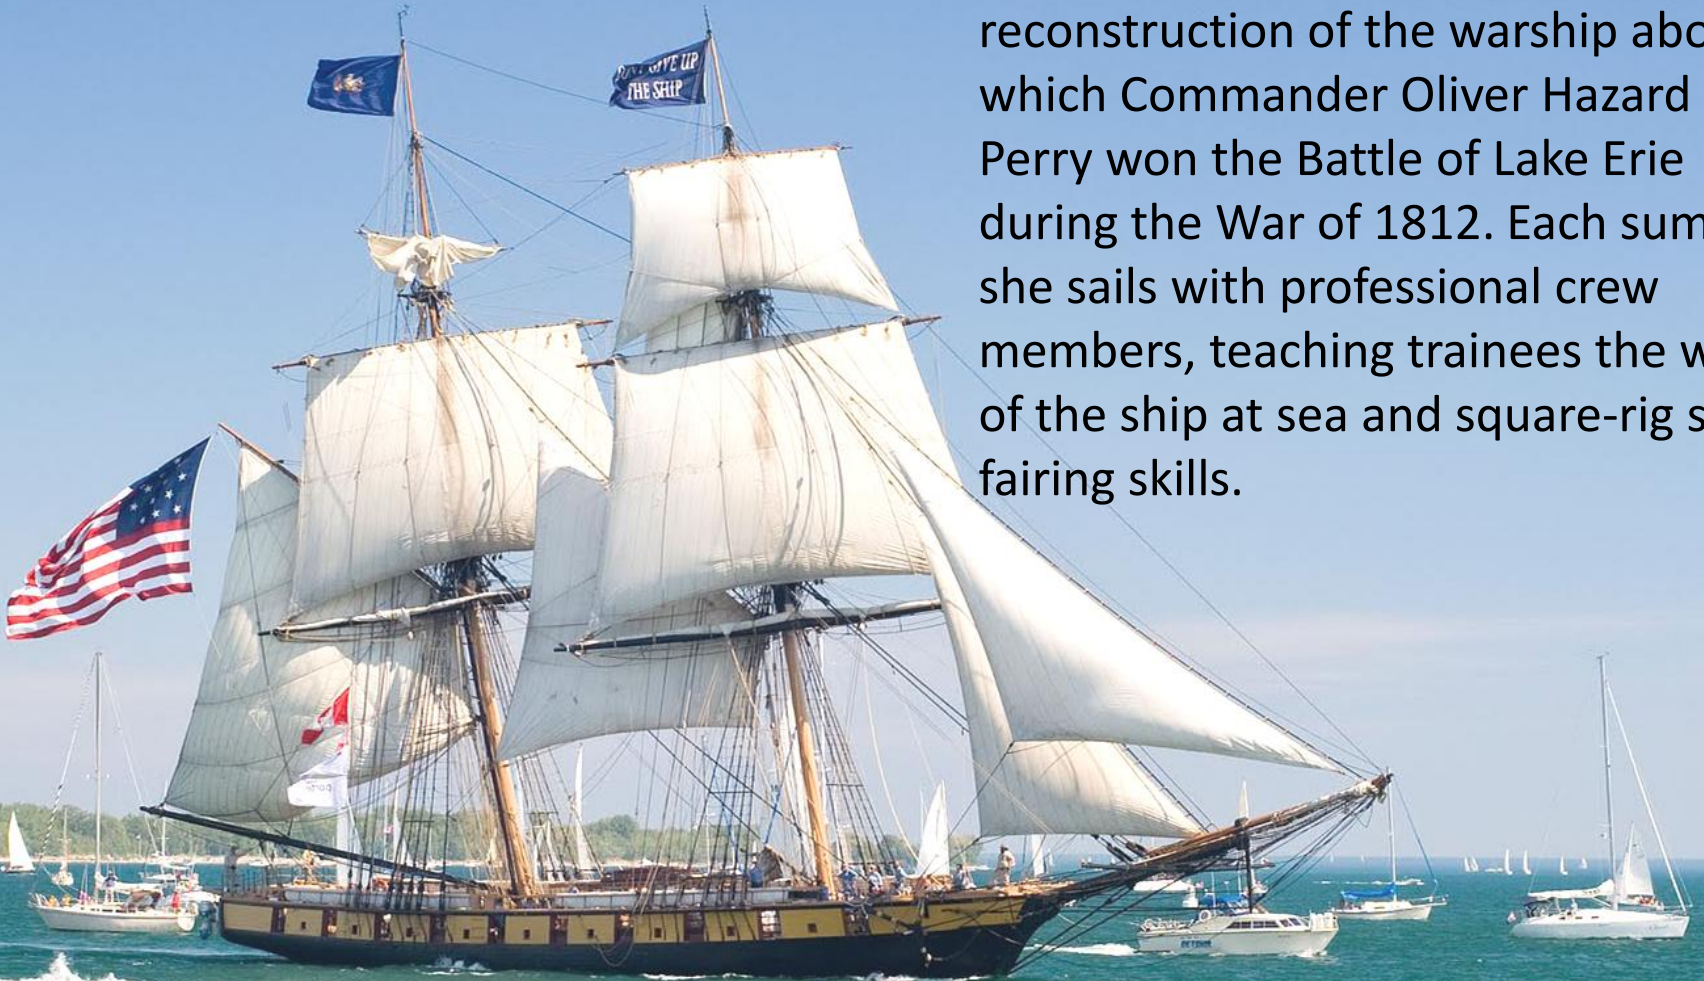

# U.S. BRIG NIAGARA

**Homeport: Erie, Pennsylvania**

**Length: 198 feet**

The Flagship Niagara was built as a reconstruction of the warship aboard which Commander Oliver Hazard Perry won the Battle of Lake Erie during the War of 1812. Each summer she sails with professional crew members, teaching trainees the way of the ship at sea and square-rig sea fairing skills.

# FAIR JEANNE

**Homeport: Ottawa, ON**  
**Length: 110 feet**

Fair Jeanne is a traditionally-rigged brigantine. The provides young people with sailing skills, leadership training, challenges, and memories to last the rest of their lives.

# ST. LAWRENCE II

**Homeport: Kingston, ON**

**Length: 72 feet**

Built at Kingston Shipyards, St. Lawrence II was designed for youth sail training. The Brigantine Incorporated operates the ship and runs a sail training program created with the intent of teaching young people the fundamental skills of sailing.

# THE PEACEMAKER

**Homeport: Savannah, Georgia**

**Length: 150 feet**

**A 3 masted barquentine constructed using traditional methods and tropical hardwoods, Peacemaker was built in Brazil by an Italian family of boat builders. Today her vision is to be a sea-going representation of the life of peace and unity.**

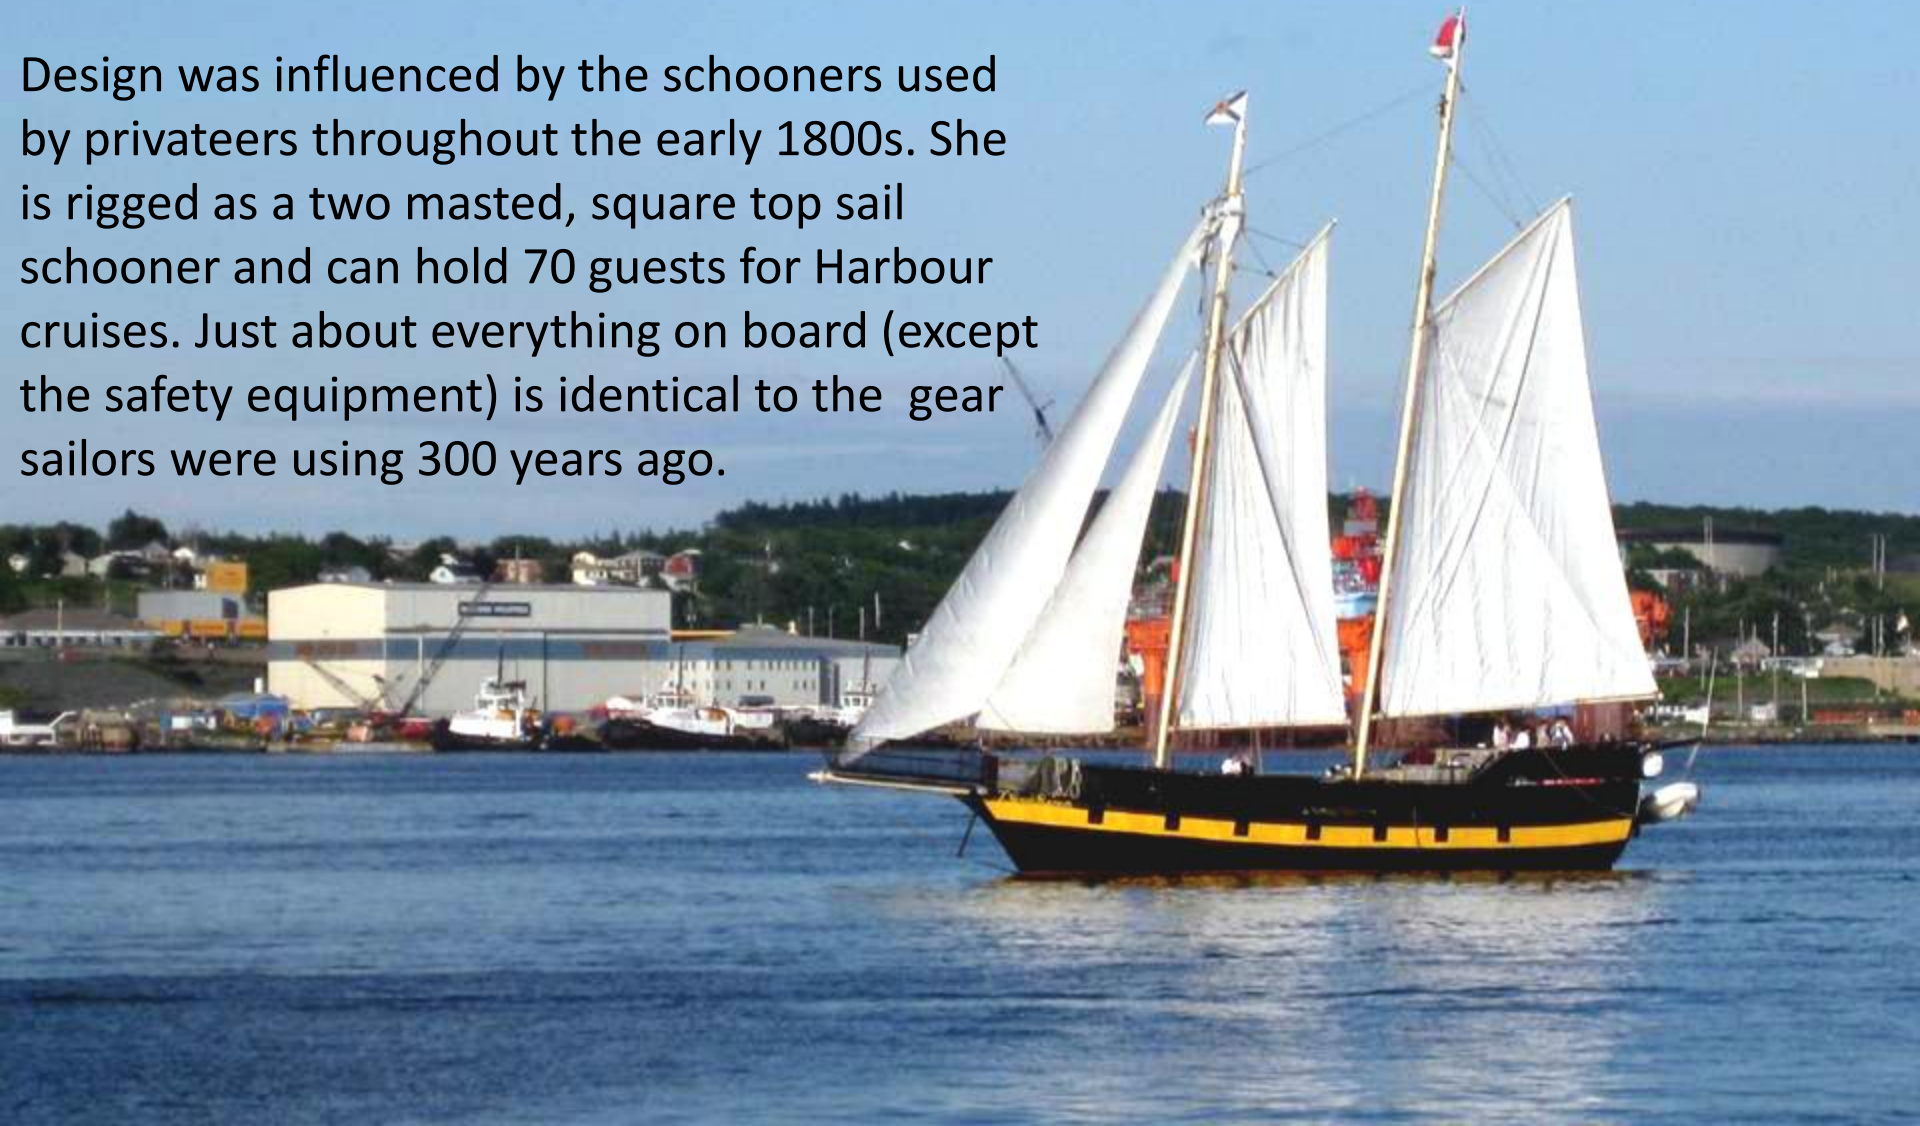

# LIANA'S RANSOM

**Sponsored by Parrish and Heimbecker Ltd.**

**Homeport: Halifax, Nova Scotia**

**Length: 85 feet**

Design was influenced by the schooners used by privateers throughout the early 1800s. She is rigged as a two masted, square top sail schooner and can hold 70 guests for Harbour cruises. Just about everything on board (except the safety equipment) is identical to the gear sailors were using 300 years ago.

# Ship Accessibility and Restrictions

- The ships are not wheelchair accessible.
- No strollers or baby carriages onboard.
  - Strollers and baby carriages can be left in the volunteer monitored drop off location adjacent to ship gangway.
- Proper footwear must be worn:
  - Rubber sole shoes, sneakers, boat shoes, sandals and crocs. No spike heels. Food (including chewing gum) and beverages are not permitted aboard the ships during ship deck tours.

## Ship Restrictions for Volunteers
