Visiting Tall Ships: SORLANDET

Sponsored by the Hamilton Port Authority

Homeport: Kristiansand, Norway

Length: 210 feet

The Sorlandet is the oldest full rigged ship in the world still in operation. Built in 1927 as a merchant marine training ship, Sorlandet now offers students learning experiences aboard the ship through the Canadian sail training institution Class Afloat.

U.S. BRIG NIAGARA

Homeport: Erie, Pennsylvania

Length: 198 feet

The Flagship Niagara was built as a reconstruction of the warship aboard which Commander Oliver Hazard Perry won the Battle of Lake Erie during the War of 1812. Each summer she sails with professional crew members, teaching trainees the way of the ship at sea and square-rig sea fairing skills.

FAIR JEANNE

Homeport: Ottawa, ON
Length: 110 feet

Fair Jeanne is a traditionally-rigged brigantine. The provides young people with sailing skills, leadership training, challenges, and memories to last the rest of their lives.

ST. LAWRENCE II

Homeport: Kingston, ON

Length: 72 feet

Built at Kingston Shipyards, St. Lawrence II was designed for youth sail training. The Brigantine Incorporated operates the ship and runs a sail training program created with the intent of teaching young people the fundamental skills of sailing.

THE PEACEMAKER

Homeport: Savannah, Georgia

Length: 150 feet

A 3 masted barquentine constructed using traditional methods and tropical hardwoods, Peacemaker was built in Brazil by an Italian family of boat builders. Today her vision is to be a sea-going representation of the life of peace and unity.

LIANA'S RANSOM

Sponsored by Parrish and Heimbecker Ltd.

Homeport: Halifax, Nova Scotia

Length: 85 feet

Design was influenced by the schooners used by privateers throughout the early 1800s. She is rigged as a two masted, square top sail schooner and can hold 70 guests for Harbour cruises. Just about everything on board (except the safety equipment) is identical to the gear sailors were using 300 years ago.
